Subject: ** Gina and Damien - Your USANA Business

Importance: High

Hello Gina and Damien,

It was good speaking with both of you this evening!

As discussed, you are interested in starting a USANA business by the end of this month.

Toward that end, I would recommend that you review the requirements to start your USANA business at the following link:

Also, to help you prepare and plan for building and growing your USANA business, visit our list of USANA training items and articles at:

<http://zdanisusanapowerteam.blogspot.com/2017/10/zdanis-web-links-october-2017.html>

I am available any time by phone, text or email to answer questions and address concerns.

Otherwise, I will wait to hear from you as to what I can do, and when I can do it, to help you start and grow a USANA business on your schedule.

Regards,

Pete Zdanis
