Hello Valerie,

Thank you for your message.

As you probably know, USANA's Celavive skin care products will be available for purchase in February, 2018. We were able to purchase a complete set of the Celavive products at the USANA International Convention in August, and find them to be absolutely incredible.

You can learn more at <http://www.celavive.com/> , and also sign up for email updates at the site.

USANA is based in the US, and operates in 20 countries, including the UK. Business (product purchases, enrollments, etc.) is primarily conducted online, so geography is not really a factor.

I have attached a USANA UK Product Price List for your review and convenience. It will, of course, be updated in February to include the Celavive products.

Also, if you should decide at some point that you would like to enroll as a USANA Preferred Customer (product purchaser) or as a USANA Associate (business builder), you can do so at this link: <https://shop.usana.com/shop/spring/enrollment/start/74383?tagLang=ENU&tagCountry=US&doPlacement=0>

I hope you find this information to be helpful, Valerie.

If you have any other questions, please let me know.

Regards,

Pete Zdanis

Hello Pete

Hope all is well, with you.

I was interested in finding out where I can find out more about Usana, here in the UK.

Also I'm interested in the new skin care range that is coming out next year.

Thank you for your time.
